

## Public Benefit Flying: Balancing Safety and Compassion

This is an open forum 45 minute lecture with Inflight Pilot Training. It is the most engaging & well attended seminar series in the country. Join our outstanding crowd each week to see why we lead the industry in Safety Seminar participation. Have fun, improve your flying, & get in touch with the fun friendly side of aviation. Free coffee, doughnuts, & flying stories all morning. We are having our open house party at 12PM. Join us for free lunch and a raffle with lots of giveaways right after the seminar!

**Directions:** Park in the Inflight/Modern Avionics parking lot & along the adjacent hangars...we're hard to miss, averaging over 100 cars each week. Inflight's office doors are on the west end of the Modern Avionics building right next to the "D" taxiway. If flying in, ask for a progressive to Inflight & park right out front on our ramp next to the school & other transient airplanes, we'll wave you in.

### A message from the National FAASTeam Manager
